

Philippine Orthopaedic Association, Inc.

1st ASEAN GOLF CUP

November 12, 2009, Wack Wack Golf & Country Club, Philippines

Dear **Fellow ASEAN Orthopedic Golf-Lover,**

As part of our program during this year's ASEAN Orthopedic Meeting, the Philippine Orthopedic Association Golfers will be staging its annual Golf Tournament on November 12, in the middle of the Convention Week. The historic

Wack Wack Golf and Country Club, one of the most exclusive private golf clubs in the Philippines is opening its doors to all our ASEAN Orthopedic golfers who would like a chance to test their golfing prowess at the home of the Philippine Open.

Our tournament will be open to all convention participants and their

spouses and accompanying children. We have been given tee times starting at 830H up to 1330H. Foursomes can be pre-arranged if you wish. The Scoring will not consider club handicaps. It will be a fun format wherein the worst two holes will be scrapped and the remaining sixteen holes will be scored using a System 36 format. Scores will then be divided into Class A, B and C. All golfers will be grouped together, doctors and guests. We will also proclaim Low Net and Low Gross champions.

We are also starting what we hope will be an enduring tradition in ASEAN Orthopedics. We are staging a Tournament within the Tournament. This will be the First ASEAN Orthopedic Golf Challenge. Golfers are divided by country with no limit per country. However, only those with certified club handicaps will be included in the competition. We will get the top three (or five) net scores per country and the team with the lowest aggregate score will be declared the ASEAN Orthopedic Golf champion. We will also honor the best Individual golfers based purely on Gross score.

A Fellowship and awarding party will follow after the tournament with lots of prizes and surprises for everyone. We feel this will be a very exciting and fun filled tournament. We are encouraging you to sign up for this tournament early. You can sign up by e-mail early and then request to be grouped into a foursome later on. The tournament fee is \$100 and this will include green fees, caddies and all incidentals. Cart rental is \$15. Clubs are available for rental for \$15. Because it is an exclusive club, we are being allowed 100 golfers so we suggest you register early.

There is a special rate if your club has reciprocity with Wack-Wack. E-mail us if your club has a letter introducing you for reciprocity. The Reciprocal clubs are: Royal Selangor, Miri Golf Club and

Diraja Perak (Malaysia), Keppel and Singapore Island Clubs (Singapore), Honolulu Golf Club (Hawaii) and Royal Bangkok Club (Thailand).

The golf course is a convenient 500 meters from the convention venue so it will be easy for every participant to make it to the club and back to the hotel. We are providing shuttle services all day for golfers and their companions. **Wack Wack Golf & Country Club** is one of the oldest golf clubs in the Philippines, having been founded in 1930. It has consistently been

considered as one of the best golf courses in world and is the home of the Philippine Golf Open Championships, the traditional kick-off site of the annual Asian Circuit, and site of numerous world golf events like the World Cup and others.

We are sure you will enjoy this great golfing experience as well

as the friendly competition and company of our ASEAN Orthopedic Brotherhood. For any details please contact the POA Secretariat.
