

2010 April 24-25 (Sat & Sun)
7th Hong Kong International Orthopaedic Forum
Common Orthopaedic Myths

Topics

- Can flat feet be cured?
- Does a heavy school bag lead to back pain?
- Is surgery the cure for back pain?
- Is surgery the only treatment for spinal stenosis?
- Should adolescent ACL injury be treated surgically?
- Is joint replacement painful?
- Does a total joint replacement only last 10 years?
- Are you too young/old for a joint replacement?
- Is splintage for Perthes disease useful?
- Is congenital dislocation of the hip really congenital?
- Are new methods better than old ones?
