

Dear Dr,

We are pleased to inform that **AO Trauma Asia Pacific (AOTAP) International/Regional Fellowship Application** for surgeons are **now open for the year 2013**. These Fellowships provide additional experience in AO techniques for fully trained orthopedic or general surgeons with an interest in trauma. Fellowships are available for 4-8 weeks in designated hospitals all over the world.

How to apply:

Application can be done on a soft copy or printed hard copy of the AO Trauma Fellowship application form found at the AO Foundation website: <http://www.aotrauma.org/fellowships.aspx>.

Please ensure to provide the application form along with all supporting documents (listed on the application form) as one file.

Dateline:

The deadline for 2013 AOTAP fellowship is **15 July, 2012 (This is the dateline to AOTAP in Hong Kong)**.

Please send in your application by 15 May 2012 to allow time for us to forward to the AO Trauma Malaysia Council Chairperson and also for his review and screening.

Send your application to:

Please direct all your application along with all the supporting documents needed to the AO Trauma Malaysia Council Chairperson, Dr Ahmad Sallehuddin Yaacob for his review and screening. Applicants will be informed directly by AO Trauma Asia Pacific (AOTAP) on the success of the selection.

For further information, please go through the AO Foundation website www.aofoundation.org
