

MOA Circle Meeting

Title : Shall we continue to use cement in Total Hip Arthroplasty?
Venue : Prof David Choon Residency, 2, Lorong 5/15F, 46000 Petaling
Jaya
Date : 25 May 2008
Time : 7.30 pm
Special Guest : Professor Ross Crawford
Chair of Orthopaedic Research
Institute of Health & Biomedical Innovation
QUT, Brisbane, Australia

We have the pleasure to invite Prof Crawford to spend an evening with Malaysian orthopaedic surgeons to discuss various issues in relation to total hip arthroplasty. All members of MOA are invited to the above meeting which is organized by the Malaysian Orthopaedic Association and the Division of Joint Replacement , University Malaya Medical Centre. Buffet dinner is provided. Kindly contact Winnie Yap +60123748223 or Regine Wai +60122983614 for reservation.
