2<sup>nd</sup> November 2007

Members of Malaysian Orthopaedic Association

Dear Members of MOA,

The 2<sup>nd</sup> issue of the Malaysian Orthopaedic Journal (MOJ) (Nov 2007) will be ready and circulated to members within this month as scheduled. The online version will also be available by early December. The enclosed postcards serve to remind everyone of the official website of the MOJ.

The closing date of manuscript submission for the next issue of MOJ (April 2008) is 30<sup>th</sup> December 2007, which is less than 2 months away. We would like to encourage our members to submit your research paper or case report to MOJ through the official website. Please be reminded that all photographic images should be attached as separate files and named according to the figure titles. We will also be hosting a "Letters to Editor" section for the April 2008 issue. A separate submission port will be made available some time next month.

Again we would like to remind our members that the April 2008 issue of MOJ will be circulated to all participants of the MOA/AOA/AAOS combined congress in Kuala Lumpur in June 2008. We have applied for the journal to be indexed. If the application is successful, all articles published in the first 3 issues of MOJ will be available in international medical literature.

Thank you.

Yours sincerely,

Dr Saw Aik  
Chief Editor  
Malaysian Orthopaedic Journal
