

Dear Members,

MEDECINS SANS FRONTIERES – calling for volunteers

MSF is an international medical humanitarian movement also known as "Doctors Without Borders". Formed in 1971, every year, up to 20,000 personnel participates in missions in 70 countries all around the world from Haiti to Congo to Papua New Guinea.

MSF invites orthopaedic surgeons to join their missions in any part of the world. Missions are at a minimum of 1 month upwards. The surgeon will receive a nominal salary, per diem, full insurance coverage and medical benefits.

Please visit the website www.msf.org.hk for further information.
