DAYCARE LIVE SURGERY

18 -19 October 2018

Skills Labs, Kompleks Pakar & Rawatan Harian HKL

Malaysian Society for Surgery Of the Hand (MSSH) in collaboration with Hand Unit, HKL is organising its 14th annual scientific meeting. This year's focus is on daycare surgery and hand trauma. We are inviting all medical officers, physiotherapist, postgraduate students and surgeons who are interested in hand surgery or deals with hand cases in their daily practice to attend this course. We will be having a live surgery session on common hand procedures performed by experienced hand surgeons in Hospital Kuala Lumpur. This session is to expose participants the refined method to perform daycare hand surgery.
